## Adding a new item

background: lightened pictures on pinterest.

The mockup shows a laptop screen with a sidebar on the left and a main content area. The sidebar contains a red 'DESIRE' button, a list of items with 'XXXXX' as a placeholder, a 'v move' button, and a 'log out' button. The main content area has a title 'LIST NAME' and a form titled 'Item name'. The form includes a 'Discription' label, a text input field, a 'character limit 0/120' indicator, an 'Amount' label, another text input field, and an 'Add' button. Annotations include: 'input C item name is a placeholder' pointing to the description field, 'Error! ↳ if no name is added ↳ if no amount is added.' on the right, and 'background: lightened pictures on pinterest.' at the top right.

## Adding a new list

background is pictures (lightened)

The mockup shows a laptop screen with a sidebar on the left and a main content area. The sidebar contains a red 'DESIRE' button, a list of items with 'XXXXX' as a placeholder, a 'v move' button, and a 'log out' button. The main content area has a form titled 'enter list name (placeholder)'. The form includes a dropdown menu with a checkmark icon, a text input field with a question mark icon and the placeholder 'LIST NAME', and an 'add' button. Annotations include: 'the side bar cant be accessible when making a new list / adding a new item' on the left, 'background is pictures (lightened)' at the top right, 'enter list name (placeholder)' pointing to the text input, 'chore emoji (dropdown)' pointing to the dropdown menu, and 'once chosen the the [?] gets replaced' pointing to the question mark icon.
